EDUCATION

FAST NUCES

August 2022 - June 2026

Bachelor's in Computer Science
CGPA: 3.00

Pak Turk Maarif International College

August 2020 - August 2022

Intermediate in Computer Science (ICS)

PROFESSIONAL SUMMARY

Motivated mobile application developer with experience building Android apps using Kotlin and Java, focused on clean UI, solid architecture, and reliable functionality. Enjoys learning new technologies, solving real-world problems, and delivering practical, well-structured solutions.

PROJECTS

VisionAI Toolkit – Mobile app using Firebase ML Kit (Text, Face, Barcode, Object Detection)

TaskMaster Pro – Android task manager with alerts, file attachments, quotes, and notifications

BookNest – C++ OOP-based Library Management System

Balloon Blaster – Game in 8086 Assembly using low-level graphics and logic

WordTree – C++ BST-based dictionary with fast search/insert

SkyLink – Airline booking system using C frontend and Oracle SQL backend

NanoOS – Mini OS project using C/C++ demonstrating core system-level concepts

Multi-Area OSPF Topology – Configured a multi-area OSPF network using Cisco Packet Tracer with custom IP addressing, demonstrating inter-area routing

DHCP Network Design – Built and configured dual-network topology in Cisco Packet Tracer with a central DHCP server, enabling dynamic IP allocation across both subnets using router-based DHCP relay

TECHNICAL STRENGTHS

Languages C++, Kotlin , C, 8086 Assembly, Oracle SQL

Mobile Development Android (Kotlin, Material Design)

Concepts OOP, Data Structures & Algorithms,CN, AI, OS, DBMS

Tools Git (Basic), Android Studio, MS Office, IDEs

WORK EXPERIENCE

Freenlance Mobile Developer - Native Android App Developer

2025- Current

Developed Android applications using Kotlin and XML, implementing core features such as activities, fragments, SQLite, and notifications

Teaching Assistant - Object Oriented Programming

Spring 2025

FAST NUCES

- Assisted students in understanding C++ OOP concepts and Designed and graded assignments and quizzes

ACADEMIC ACHIEVEMENTS

Dean's List – Spring 2023 (CGPA 3.59/4)
